
Golden Heart Community Foundation

an Affiliate of The Alaska Community Foundation

In 2013, the Rasmuson Foundation challenged and sponsored four new communities to start a fund with The Alaska Community Foundation. The Community Building Initiative (CABI) program was offered to encourage philanthropy in Alaska. A Fairbanks group accepted the challenge to raise \$25,000 and the Rasmuson Foundation matched with \$50,000.

FOUNDING DONORS

(Anniversary year 2013 through 3/31/2014)

The Founding Donors are the people whose vision of what the Golden Heart Community Foundation, an affiliate of The Alaska Community Foundation, could be. Their willingness in the first anniversary year through March 31, 2014 to commit, support, and believe in the potential of the Foundation, made the dream possible to provide an avenue for anyone to leave a legacy to the community dear to their heart.
